Every Child at Fern Elementary needs to be prepared for any emergency.

We are no longer accepting homemade kits. All kits must be purchased through the PTA due to space constraints with larger class sizes. Previously purchased kits are acceptable; they just need to be updated with the following items: family picture, change of clothes, and any medications with written instructions. Return completed kit to the student's classroom teacher.

Purchase an Emergency Kit from the PTA for only \$10.00

A kit purchased through the PTA will last for 5 years. The kit includes the following:
